Inspiration

Inspired by culinary tastes from around the world, we selected superior ingredients for our unique Season360° Spice Blend to re-create the authenticity and characteristics of global flavors.

Season360° BBQ Sauce is a top-shelf, gourmet finishing, dipping and marinating sauce that incorporates the Season360 Spice Blend along with other sweet and savory ingredients to formulate a sauce that marries traditional Kansas City style sauce with the southern essence of Memphis style BBQ, yielding a sweet, smoky “tang” with a spicy but not overpowering finish. ”Where North Meets South, and East Meets West”, what you get is 360° of Flavor. After 17 years of tweaking our formulation to perfection we are ready to put our product to you. Try it on your shelves today.
